

ARAS

Architectural Pendant

DESCRIPTION

Reinventing indoor linear lighting, the Aras Pendant series fuses distinctive design with outstanding optical performance. Compatible with E26 bulbs and featuring 0-10V dimming, it offers the versatility needed for a wide range of lighting applications. Serving as an affordable yet artistic focal point, Aras is ideal for elevating any commercial space. It's engineered to emit a gentle, ambient glow across expansive areas.

APPLICATION

Ideal for a variety of indoor spaces, such as offices, retail environments, lobbies, conference rooms, and other modern settings. This fixture is designed to provide exceptional performance within an oval shade crafted from etched opal glass.

FEATURES
